LOT 3 - 1970 Chevrolet El Ca

Title Status Clear title

Description

1970 Chevrolet El Camino, restored in 1996-8 timeframe, Originally a 396 car, someone swapped a 454 into it at some point. Car starts and runs great, drives good. The underneath of the car looks really nice. °Bj

Couple things it needs: Cracked ac vents replaced, hood hinges are on back order, none on it now, rubber cowl weather striping needs replaced, car has pick up trim rings on it, windshield wiper arm is missing a spring, no radio. Probably other misc. things.

Car starts & runs good, the owners drove it here to be sold.
