

Sale Name: 21st Spring Fever Machinery Auction in Miles City, MT

LOT 432 - Truck Mounted Fuel tank

Description

This came off a 2 ton truck, it was meant to straddle the frame behind the cab. Would certainly work good for a stationary tank also. Tank is 90 inches x 27 inches tall x 26 inches wide, Tank can lift off toolboxes & go right on a flatbed.

Quantity: 1
