LOT 402 - 1953 Ford Mainline

Title Status No title

Description

1953 Ford Mainline, Seller Statement: I've put new tires on, new wheel cylinders, master brake cylinder and brake shoes, 2 new water pumps and lower radiator hoses along with spark plugs, points, wires, distributor cap, and condenser. I've been using a boat gas tank to run it the gas tank has been cleaned out but no new fuel lines ran yet. Will probably need a battery I don't think the generator is working correctly.

Car will run and drive, sounds like the hard work is done. One family car, owners uncle bought it brand new. No one can find the title so you will have to apply for a new one.
