LOT 262B - Case 860 Rock saw, 8

Location Located in Billings, MT

Description

Case 860 Rock saw, 81 inch front blade, rear saw is 8 ft. Round, front steering only, the rear cylinders for steering were leaking and not available, so they pinned them straight. Unit runs good, new batteries, 33 x 16 x 20 inch tires, comes with ROPS, shows 2698 hours, unit runs smooth & operating fine. We saw it drive across the parking lot, no issues noted ROPS was unbolted from it, but comes with it.
