LOT 307h - New Holland TS115A t

Description

New Holland TS115A tractor, shows 1,512 hours, comes with a mower deck that is acting up/ solenoid issues. The tractor was driven 20 miles to town, it runs smoothly, brakes work, 3 point, 540 pto, selling for a municipal seller, they believe the brush hog part has a short in it. The seller had to tap the starter to start it this morning, To shift the tractor, it requires the proper sequence of button pushing. It will nearly crawl in first gear.
