LOT 420 - 2006 Kawasaki KFX 700 4 Wheeler

VIN JKASV6B196B505397

Title Status Has Clear Title

Description

2006 Kawasaki KFX 700 Four Wheeler. **UPDATE 5-21-24: This fourwheeler had an issue whilst sitting. We started it and noticed it smoking. It was ran no more than 10 seconds and was shut off. We pulled the oil fill cap and the crankcase was completely filled with gasoline. This fourwheeler either had the fuel pump issue or a carburetor had a needle/float problem. We think the engine will be ok after an oil change.** One owner machine. Runs, moves, and stops. Could use some fresh fuel and small tune up. Electric start. New battery. Has broken plastics. Frame and suspension look good. Decent tread on tires. Has clear title.

Quantity: 1
