Title Status Clear title

Description

1994 Ford L9000 Semi Truck 3406 CAT engine w/ Allison automatic transmission, it runs smoothly and presents well overall.

Seller States: This truck started life as a single axle truck & was converted to a tandem truck years ago. It is clear that this truck has been well cared for, the seats are nice, inside is clean, the frame looks clean, etc. Unknown GVW, this truck is owned by the City of Miles City

Originally titled as a 1978 year model, the city changed cabs at some point in time. The cab is from a 1994 and from what we can gather the remainder is from a 1978. We only have a title for a 1978 so that's what you will be getting.
