LOT 598E - David Brown 1210 4x4 Diesel Tractor

Description

David Brown 1210 Diesel. This tractor runs, moves, and stops. The fuel tank leaks and you have to jump the solenoid to get it running. Be prepared to spend a little time firing it up. Come prepared with a jump pack, ether, etc. Auctioneers have very limited time to assist during load out. 4 cylinder diesel, 4x4, auxiliary hydraulics, pto, & three point. Comes with doors and extra duals.

This model tractor is becoming a collectors item. It is not easy to find a 4x4 DB 1210, so here is a good opportunity to own one.

Quantity: 1
