**LOT 403 - 1993 E-One Fire Truck w/ 105 ft. Ladder**

**VIN** 4ENDABA83P1002098

**Title Status** Clear title

**Area** B - Front Lot East Side

### **Description**

1993 E-One fire truck with 105 ft. ladder, 8v92 Detroit, Allison Automatic, 1,500 GPM pump, 300 gallon tank, Low Original miles, 15,850 miles, approximately 4,436 hours, Seller states this truck had the best frame available from E-One, Good Body condition, Lots of storage, Hydraulic outriggers, good steering & brakes. Gen Set, 2000 psi breathing air to bucket

- Seller notes the ladder on this truck is not certified for fire use. It works, however they could not get it certified\*

This truck runs smoothly, drives good & the ladder works as intended. We do not know the exact issue with why the fire department cannot get the ladder certified the ladder part of the truck.
