VIN 1HTWJAZT49J190423

Title Status Clear title

Location Located in Billings, MT

Description

2009 International 7400 Boom Pole Truck

Runs, drives, and stops.

Maxxforce diesel, automatic.

Odometer shows 60,988 miles

Hourmeter shows 9,687 hours

This truck runs nice and was last used on a job a couple years ago.

One issue is the truck stays idled up to around 1,400-1,500 rpm when in neutral. It acts like the engine thinks the pto is engaged when it is not. When put in drive or reverse the engine will return to normal rpms.

Has newer tires all around.

Terex Telelect Digger Derrick

3 Section Boom with auger. Also has the sheave.

Serial number for this unit is 2090439662.

Bed is an Adkins. It is 20ft long, nearly 8ft wi, and has outriggers on all four corners.

We had someone come and operate the boom. Everything works.
