Description

2008 John Deere 872D Motor Grader

Nice running machine. It moves, stops, and works. This machine has been owned by the same company for a long time.

We ran it back in forth in the yard it's stored at. We did note the brake pressure light sometimes comes on. Brakes still work fine though. This machine has had routine maintenance.

Hourmeter shows: 13,983 hours.

Odometer shows: 40,256 miles.

Six Wheel Drive, 14ft Moldboard, ripper with three shanks.

Plumbed for auxiliary hydraulics.

Wide Tires: 20.5R25

Serial Number: DW872DX616025
