

Sale Name: 25th Spring Fever Machinery & More Auction

LOT 1405 - Pair of 60 Ton Jack Stands

Area D - New Lot

Row Row 4

Description

One pair of 60 Ton rated Jack stands, US Government surplus, not a matching pair, could be used in a variety of ways, think house lifting or perhaps heavy fab work.

Originally used for lifting airplanes.

The brown one is made by Regent MFG Inc. and is part no: 8261-010

The green one is made by Malabar Hydraulic and is part no: 94861

Both are 48" Ram and 24" Screw.

Quantity: 1
