**Description**

1989 Hoverstar 2+2

Former Search and Rescue Hovercraft. Runs and works. This machine has a Yamaha Phazer 485cc engine. Comes with many new/backup parts + manuals. This machine was last used three years ago to rescue some livestock that were in the Yellowstone River.

The trailer tilts and swivels for easy unloading. The trailer made a 40 mile trip to our sale site.

Please call us if you have any questions or need additional info. We are by no means hovercraft experts. We will help you.

Both have clear titles.
