

Sale Name: 25th Spring Fever Machinery & More Auction

LOT 510 - Case FLX4375 Spreader

Description

Case FLX4375. Runs and moves. Rear end final drives are bad.

Cat C10 with Allison 6 Speed
Odometer reads 108,669 Miles
Hourmeter reads 7,338 Hours

This machine runs well. The brakes are not 100%. It stops but not on a dime. The rear differential is going to need attention. The previous owners plan was to put a semi truck rear end under it and turn it into a sprayer.

Before this was parked for the rear end issues it was spreading fertilizer.

Quantity: 1
