

Sale Name: 25th Spring Fever Machinery & More Auction

LOT 2520 - Unused Ingersoll Rand 3 phase Compressor

Area N - Container #3

Description

Unused Ingersoll Rand 120 gallon air compressor, when this was purchased, they didn't realize it was three phase and they don't have three phase power., It has never been used or hooked to electricity. The copper tubing on the side shows wear from being against something while being moved.

Quantity: 1
