**Description**

2003 Ford F-350 4x4

This truck runs poorly. It acts like it has a bad miss. We were told it was taken to a shop and they did some engine work and after it was put back together it didn't run correctly. We pulled the oil cap and it has blow-by.

6.0L Powerstroke diesel, automatic, 4x4. Odometer reads 201,229 miles. It has an hour meter on the dash that reads 5,235 hours. Over this is clean pickup and has a newer set of tires. Has a 95 gallon slip tank in the bed + tool box.
