Description

2004 Ford F-350 4x4

Nice running truck. We were told it had a reman engine put in it recently. Unsure exactly when that what was done but it is a solid running truck.

6.8L V10, 6 speed manual, 4x4.

Odometer shows 97,007 miles.

Bale bed is 9.5ft long x 80" wide. It works fine but we couldn't get the extending arms to work.
