Description

- 2017 Load Trail 22ft Trailer
- 14,000lbs GVW
- Good reliable trailer. Has a Warn winch on the front and a set of ramps in the back. The extra wood is just screwed to the deck and can be easily removed. It was added there to keep some smaller items from sliding around. The battery for the winch is dead. Winch control included.
- One owner trailer, estimated 20,000 miles of use.
