

Sale Name: 25th Spring Fever Machinery & More Auction

LOT 2330 - Fabricated Aluminum Covers

Area D - New Lot

Row Row 4

Description

These are covers originally for a generator on a living quarters horse trailer. We're not sure what They exactly fit but we're guessing they weren't cheap.

You might be able to put a hinge on one and use and use it to cover something else.

They're not symmetrical.

They are made of aluminum.

Quantity: 1
